HOW TO OBTAIN FINANCIAL AID

Once a prospective student is interviewed by the admissions advisor, the student is advised to review the materials given and set up an appointment with the institution's financial director. On enrollment day, prospective students are advised to bring all required items discussed in the interview process, and the Financial Director will assist in the completion of the FAFSA (Free Application for Federal Student Aid) if you haven't already done so. The FAFSA is used to determine a student's eligibility for Title IV funds (Financial Aid).

The FAFSA is available online for award years 2021-2022 at:

FAFSA CODE: 017214

Should you require additional information on financial aid assistance, you may contact the John Amico School of Hair Design at (847) 965-8061 and ask to speak to the Financial Director.
