

Emergency Funding for Students Due to Covid 19 Pandemic

Under the Coronavirus Aid, Relief, and Economic Security (CARES) Act

Dear Current Student or Recent Graduate (June 16, 2021 or later), Coronavirus Aid, Relief, and Economic Security (CARES) Act the US Government has ratified the CARES Act which allows for government grants to be issued to students who qualify. The grants were received by the school and were processed and distributed to the students based upon the school's developed policy. In order to expedite the final grant funds to be distributed to you, it is imperative that we have your most current contact information and that you agree to utilize those funds as per the U.S. Department of Education. Completion of this survey DOES NOT guarantee that you are eligible to receive grant funds. However, this survey must be completed to determine your eligibility.

This includes any students that graduated on or after 6/16/2021 and any student on an approved leave of absence. Should any of these students withdraw prior to the school receiving the grant funds, they will be exempt from receiving the funds. Those funds will be re-allocated to current students. We will conduct a current final eligible student as funds are dispersed by the school.

Note: Per the DOE, if any of the students are not meeting SAP, they are not eligible for the HEERF Grant, even if they meet the other criteria. Student is in an active enrollment status as of June 16, 2021. Student is meeting Satisfactory Academic Progress (SAP).

The U.S. Department of Education has made Emergency Financial Aid Grants available for Title IV eligible students of our institution who need financial support for their expenses related to the disruption of campus operations due to Coronavirus.

This application permits students to apply for these need-based grants. Campus administration will use the information you provide here to determine your eligibility for a grant and the amount for which you will be eligible. Each student will be eligible for one grant. Students with extraordinary financial need and hardship may separately apply for an additional discretionary grant. Determinations on any additional grant will be made by the campus administration based on all circumstances, including relative need and available funds.

Please fill out this information neatly and completely and provide it to your campus Financial Aid Officer. Only active students who are participating in courses actively and who are in good standing will be eligible to receive a grant.

A COPY OF THIS FORM IS IN YOUR FILE AND MUST BE FILLED OUT WHILE PUNCHED IN ON THE TIME CLOCK WHILE IN ATTENDANCE ON CAMPUS. GRADUATES MUST COME INTO CAMPUS AND FILL OUT THIS FORM. FINAL DAY TO FILL OUT THIS FOR IS JUNE 30, 2021. ANY FORMS COMPLETED OR TURNED IN AFTER JUNE 30, 2021 WILL BE DISQUALIFIED. FUNDS WILL BE DISPENSED ON A TIMLEY BASIS.
